

Team Leader, Cleaning – Qaqortoq, Greenland

We are looking for a team leader for our cleaning team in Qaqortoq, Greenland. Cleaning is part of our business area in Greenland, where we focus on keeping the environment clean and sustainable. With us, you will be valued for what you do, and we prioritize your safety and development in the job.

Become part of a great team with high spirits

The team consists of 8 employees, and your work tasks will include:

- Responsibility for planning cleaning tasks
- Inspection of the tasks
- Cleaning alongside the employees
- Other ad hoc tasks, which may also include areas such as freight and moving tasks

Working Hours

Your working hours will vary and will generally be coordinated in work schedules so you know your hours. Working hours are typically between 8 a.m. and 4 p.m., but work outside normal working hours may occur.

We Expect

- You have experience with cleaning tasks or the desire to make a good effort, in which case we will train you
- You take pride in doing your job well, leading to customer satisfaction
- You are flexible regarding working hours
- You can communicate well on Danish, Greenlandic and English

We Offer

- Employment in a company with good values and a focus on safety
- Proper salary and employment conditions
- An employment where you have the opportunity for growth in the job
