We are growing and place a strong emphasis on taking care of everyone who joins us on this journey. We are looking for installation technicians to become part of our BWES family.

Your responsibilities:

- Installation work related to wind turbine assembly
- Preparation of the construction site, all components, and necessary tools
- Maintenance of tools in good condition
- Execution of assigned tasks according to instructions and guidelines
- Reporting and passing on information in line with applicable procedures
- Ensuring personal and team safety

Our requirements:

- Minimum of 6 months of experience as a wind turbine technician
- Category B driving license
- GWO BST
- A1, OC
- Communicative knowledge of English
- Willingness to travel (6/2, 4/2 rotations)
- Health certificate authorizing work at heights over 3 meters
- Ability to work in a team

Nice to have:

- Experience as a Team Leader
- BTO
- GWO BTT
- UDT I P and I WJO
- other industry certifications
