

Senior Customs & International Trade Consultant

Job Overview

We are seeking a highly experienced and commercially minded Senior Customs & International Trade Consultant to support and develop our Customs and International Trade capabilities within the Malaysian market. The role can be based in either **Shah Alam** or **Johor Bahru**.

The successful candidate will be responsible for assessing complex international trade transactions, identifying customs risks and opportunities and developing compliant and commercially effective solutions.

Your Role

- Provide expert customs and international trade advisory services to clients across various industries.
- Assess complex import, export, cross-trade and international supply chain transactions to identify compliance risks and commercial opportunities.
- Advise clients on customs regulations, tariff classification, customs valuation, Free Trade Agreements (FTAs), Rules of Origin, duty exemptions, and trade compliance requirements.
- Identify and implement duty and tax optimisation opportunities through compliant customs solutions and incentive programmes.
- Conduct customs compliance reviews, audits, risk assessments and post-clearance reviews.
- Prepare technical advice, submissions, applications and correspondence relating to customs and international trade matters.
- Support clients operating within Free Zones, Licensed Manufacturing Warehouses (LMW), warehousing facilities and regional distribution networks.
- Engage and liaise with government authorities including the Royal Malaysian Customs Department (RMCD/JKDM), MIDA, MITI and other relevant stakeholders.
- Act as a trusted advisor by delivering practical, commercially sound and compliant solutions to clients.

Your Background

- Bachelor's degree in International Trade & Business, Logistics & Supply Chain Management, Commerce, or a related discipline.
- Minimum 8 years' experience in Customs & International Trade, preferably in a consulting, advisory or senior technical role.
- Strong knowledge of Malaysian Customs legislation, regulations and import/export requirements.
- Demonstrated experience in customs advisory, trade compliance, tariff classification, customs valuation, FTAs and duty optimisation strategies.
- Experience supporting multinational companies and complex international supply chains, including cross-trade and regional distribution activities.
- Proven ability to manage complex customs matters independently and develop practical business solutions.
- Experience engaging with RMCD and other relevant regulatory authorities would be highly advantageous.
- Strong analytical, problem-solving and stakeholder management skills.
- Commercially minded, proactive and solution-oriented, with the ability to communicate confidently with clients, government agencies and senior stakeholders.
