Expression of Interest - Major Events & Exhibitions Opportunities

Contact person:
Vlada Lett

Location:
Sydney

Application Deadline:
18-12-2026

Position type:
Full-time

Blue Water Shipping is seeking Expressions of Interest from experienced logistics professionals across Australia to support upcoming major events, exhibitions, and international sporting events.
We are building a talent pool of highly capable logistics professionals for a range of event-focused opportunities nationwide.

Venue / Site Logistics Managers

Locations: Nationwide Opportunities

We're seeking experienced Venue and Site Logistics Managers to support major events and exhibitions.

Key responsibilities include:

•Managing onsite freight and loading dock operations
•Coordinating labour, plant and equipment resources
•Managing contractors and service providers
•Building and maintaining venue stakeholder relationships
•Ensuring safe and compliant operational delivery

Freight Manager

Location: Sydney

An exciting opportunity for an experienced logistics professional to lead and coordinate freight operations
associated with major international sporting events.

Key responsibilities include:

•End-to-end freight planning and execution
•Domestic and international transport coordination
•Stakeholder engagement and relationship management
•Leading operational delivery through collaboration with our national logistics network

Freight Coordinators

Locations: Nationwide Opportunities

We are looking for organized and proactive logistics professionals to coordinate the movement of equipment,
baggage, and event freight across multiple venues and locations.

Key responsibilities include:

•Freight scheduling and coordination
•Transport planning and supplier liaison
•Shipment tracking and status reporting
•Documentation preparation and administration
•Supporting time-critical deliveries and stakeholder communication

What We're Looking For

•Experience in logistics, freight forwarding, transport, events, exhibitions, or supply chain operations
•Strong planning, coordination and problem-solving skills
•Ability to perform in fast-paced, dynamic environments
•Commitment to safety, compliance and operational excellence

If you're interested in being considered for future opportunities, we'd love to hear from you.

Submit your Expression of Interest and tell us about your experience, preferred location, and role of interest.
