

Reefer Documentation Specialist

Contact person:
Michael Leentjes

At Blue Water Shipping, we are experts in reefer transport. We have a strong position in the global reefer market with cross trade solutions through our network of global offices. The handling of chilled and frozen products requires special attention and skills. With our modern equipment and in-house knowledge, we offer global solutions for chilled and frozen products by sea, air and road.

Location:
Rotterdam

Application Deadline:
18-10-2026

Know documentation inside out — and want to be valued for it?

We are looking for a reefer documentation specialist who wants ownership and impact. Within the next few years, you will become a key and trusted specialist in our organization — someone others rely on and who is ready for new challenges and opportunities.

Position type:
Full-time

What you will do

- Handle all documentation related to reefer shipments
- Ensure compliance and accuracy
- Coordinate with operations and partners
- Support smooth cargo flow

What we are looking for

- Experience with reefer documentation (or open to learn)
- Strong attention to detail
- Understanding of forwarding processes
- Fluent in Dutch and English

We play as a team

You will work closely with operations in a team where collaboration ensures quality and reliability.

We play to win

Winning means getting the details right — every time. Your work ensures smooth and compliant operations.

Why join us?

- High ownership in your role
- Opportunity to improve processes
- International collaboration
- A family-owned company with global reach
- Freedom to shape your own development
- A company in transformation — where your voice matters
